

Professional Studies Programs Student Learning Outcomes

Demonstrate the dance skills and technical ability needed for a dancer in the professional dance environment. This includes kinesthetic competence in body organization and movement specificity, intention and timing.

The ability to usefully integrate into dancing, and/or oral and written discourse, related theoretical, historical, cultural, dance field, and biological principles and information.

The possession of individual expressiveness and creativity in dancing and discourse by accessing, understanding and using self-driven individual engagement.

Demonstrate a consistently professional work ethic with integrity, reliability (including attendance and timeliness), respectfulness, adaptability, openness, and the ability to work collaboratively with other artists and ensembles.

Confidence and ownership of individual artistry through the combination of all the other learning outcomes.

Certificate of Completion and College Credit

Certificates of completion are issued to students who meet clock hour requirements. The granting of any college credit to students who participated in and/or completed a program at the Limón School is solely at the discretion of the institution of higher education that the student may opt to subsequently attend.
